

Child Protection Policy

First Presbyterian Church of Mexico, Mo

Adopted October 2008

Revised and Adopted by Session January 23,2023

1.1. Introduction

As Christians, we believe that God creates us to live in community with one another. We understand that life in the church is to be lived according to the rule of love. “Jesus said, ‘You shall love God with all your heart, and with all your soul, and with all your mind.’ This is the greatest commandment. And a second is like it. ‘You shall love your neighbor as yourself.’” (Matt 22:37-39)

As members of First Presbyterian Church, we are called to create a loving community of faith that seeks the welfare of its members and visitors. Therefore, we are committed to the protection of all children and other persons participating in the activities and programs of First Presbyterian Church. Abuse, exploitation or harassment in any form, physical, emotional or sexual, will not be tolerated. As part of our congregation’s baptismal vows, we covenant with each other to take responsibility for the nurture of faith. As such, the members of this church have pledged to uphold one another. In the spirit of Christ we teach, strengthen and support the individual’s relationship within the church family.

As our baptismal vows imply, we also undertake to preserve the integrity of each person within our church family. First Presbyterian Church is committed to the sanctity of all children and youth. A well-implemented **Child Protection Policy** protects not only children and youth, but also protects those adults who minister to them. 1.10. General Guidelines and Procedures

All activities involving children/youth will be supervised or led by at least two trained and screened adult staff or volunteer workers in close proximity (within sight or sound). The only exception to this policy would be in a situation in which the contact occurs in a public place or other persons are able to clearly witness the interaction by being in and out of the area where the staff or volunteer is working with the children. If a situation unexpectedly does not meet this criterion of the policy, then alternatives shall be put into place so that the activity/event is in compliance.

- A. One of the two adults supervising shall be at least four years older than the oldest youth they are supervising.
- B. A youth may be substituted for one of the two required adult workers provided the youth is at least four years older than the child they serve.
- C. The opportunity for a church member, whether child or adult, to share confidentially his or her private and personal concerns with another member can contribute significantly to his or her spiritual, emotional and physical well-being. Indeed, this may be the only time when a person may be willing to disclose any abuse he or she may be suffering. Such private and confidential conversations are an integral part of a caring and loving Christian community. On the other hand, such private conversations create a very high-risk environment for potential abuse situations to arise. If an unaccompanied pastor or program director meets with a single child to conduct a private discussion, that meeting shall be held at First Presbyterian Church when the church is open for activities or shall be held in a public place. In no case shall an unaccompanied pastor or program director meet with a single child at First Presbyterian unless there is at least one other staff, volunteer, or the parent/guardian of the child in the building and aware of the meeting.
- D. Volunteers and staff shall read the *Child Protection Policy* for this church, agree to it by completing and signing the appropriate application form(s), and completing the appropriate level of screening.
- E. No person shall serve as a volunteer with children until such person has been either an active participant in the life of First Presbyterian Church, or a member of First Presbyterian Church for six (6) months (unless otherwise approved by the Session), has completed a *Child Protection Volunteer Worker Application* and completed all the appropriate screening criteria.

1.12. Reporting and Responding to Reports of suspicious or Inappropriate Activity & Disclosure

As the Church, we believe that God loves all of us as we are all children of God. Periodically, we encounter those who have done more to tear down the community than to build it up. Some of these would be deemed dangerous to children, but even these are worthy of God's love and grace and forgiveness. At the same time, there are those who are accused of these wrongdoings and are innocent. In any case, we as the Church cannot act irresponsibly. To protect all parties involved, and to take the responsibility to be discriminating, we have these policies and procedures. This means these issues of Reporting and Responding shall be handled expediently with graciousness and confidentiality.

A. Definitions of Child Abuse and Neglect

According to the law available online at the following site
<https://dss.mo.gov/cd/keeping-kids-safe/can.htm>

B. Initial Reporting of Suspicious or Inappropriate Activity

Suspicious or inappropriate activity brought to the attention of staff or volunteers shall be reported immediately to the appropriate staff person or volunteer in charge of the event. An appropriate person(s) to whom to make this report would be: (1) Student Ministries Director or (2) Pastor/Head of Staff. The person receiving the report of the alleged abuse or suspicious activity shall then document the date, time and circumstances of the alleged incident on the *Incident Report Form*.

C. Responding to the Initial Report of Suspicious or Inappropriate Activity

1. The ***Responding Committee*** shall be made up of the Head of Staff and the Clerk of Session.
2. The person receiving the initial report of suspicious activity will report immediately to the Head of Staff/Pastor and the Clerk of Session who will inform legal counsel and the Church insurer. In the case where either the Head of Staff or the Clerk of Session is the alleged perpetrator, or where a member of either person's immediate family is the alleged perpetrator or victim, the Student Ministries Director will replace that person if the individual to receive the report is to be on the *Responding Committee*. In the absence of the Student Ministries Director, the Clerk of Session will receive the report and an active Elder will serve on the *Responding Committee*.
3. The *Responding Committee* shall then determine if they have reasonable suspicion that abuse or neglect to a child may have occurred. If the allegation involves staff, the Chair of the appropriate Church committee shall be involved in that determination. If any one of these individuals reasonably suspects that abuse or neglect has occurred he or she is required to report the incident to the appropriate authorities.
4. The *Responding Committee* shall comply with all state laws and shall not further investigate the reported incident to avoid compromising, interfering with, or delaying a legal investigation.
5. All allegations shall be regarded as serious, and due consideration shall be given to the rights and privacy of both the alleged victim and the person being accused.
6. The accused individual, whether staff or volunteer, shall be required to refrain from participating in all child activities until it is determined if further action shall be taken. Care shall be taken to respond to all allegations in a professional manner.
7. In the case of a response to a report of suspicious activity, only the *Responding Committee*, including the appropriate legal counsel, shall have access to the information in these documents.

8. After reviewing the reported circumstances, if there is reasonable cause to suspect child abuse or neglect (as defined by the State of Missouri), then further action shall be taken. (refer to Section 1.11.D Staff Response to Allegations of Abuse or Neglect)
9. If a reported incident does not provide reasonable suspicion of abuse, the *Responding Committee* has the option to recommend appropriate action, which may include removal from the program, a review of the processes in that program, and/or further education/training.

D. Staff Response to Allegations of Abuse or Neglect

If the *Responding Committee* determines there is reasonable cause to suspect child abuse or neglect, then the following steps shall be taken:

1. A report shall be made immediately to the proper authorities, either law enforcement or the Missouri Department of Social Services.
2. All allegations shall be taken seriously and shall be investigated in a professional manner.
3. If necessary, the Responding Committee may incorporate additional persons to assist the Head of Staff and Clerk of Session with the investigation. Those individuals may include 1) one other member of Session appointed by the Head of Staff/Pastor or the Clerk of Session, 2) legal counsel, 3) others as deemed appropriate by the Head of Staff/Pastor (e.g. additional pastoral counseling or mental health officials).
4. If appropriate under the law, under the guidance of the church's legal counsel and insurance carrier, the *Responding Committee* may also:
 - a. Assign a person to the *Responding Committee* for each of the accused individuals and the alleged victim as a contact and for support.
 - b. Contact the alleged victim's parents, if it will not place the child in jeopardy.
 - c. Maintain documents of all efforts to handle the situation.
 - d. Assign a committee member, preferably the Clerk of Session or legal counsel, to be the spokesperson after the *Responding Committee* has fulfilled its legal reporting requirements. This person will be the sole individual communicating to outside authorities or other persons (including the Session, the congregation and the media) regarding the incident.
